CERTIFICATE OF ANALYSIS

Synephrine HCL (P-Synephrine Hydrochloride)

Material Lot #: 181003 Manufacture Date: 10/16/2018
Country of Origin: China Re-Test Date: 10/15/2021

Analysis	Claim	Result
Synephrine HCL	≥98%	99.2%

Test	Specification	Result
Appearance	Off-white to white fine powder	Complies
Loss on Drying	<0.5%	0.13%
Residue on Ignition	<0.2%	0.16%
Heavy Metals (µg/g)	<10 ppm	Complies
Arsenic	<2 ppm	Complies
Lead	<2 ppm	Complies
Cadmium	<1 ppm	Complies
Mercury	<1 ppm	Complies
Total Plate Count	<1000 cfu/g	Complies
Mould and Yeast	<100 cfu/g	Complies
Coliform	<10 cfu/g	Complies
Salmonella	Negative Result	Complies
E.coli	Negative Result	Complies
Staphylococcus	Negative Result	Complies
Pseudomonas aeruginosa	Negative Result	Complies
Assay %	>98%	99.2%

Conforms to Standard

Synephrine should be stored at or below room temperature in a tightly sealed durable container. Synephrine should be protected from excess heat, direct sunlight, excess humidity and moisture. Synephrine has a stable shelf life of 3 years from the date of manufacture when properly stored.

SYNEPHRINE

Main Benefits

- Synephrine HCl is an energizing supplement extracted from the Bitter Orange Fruit. It is known for its ability to support and improve thermogenesis.
- Synephrine is a powerful energizing supplement and helps to support a healthy metabolism through its effects on lipolysis.
- Further benefits include an increase in mental attention, focus, and alertness, and a synergistic relationship with Caffeine.

Main Cautions

- Synephrine HCL is banned by the NCAA. Amateur and professional athletes should make sure they are not violating the rules of their sporting event prior to taking this supplement.
- Do not exceed the recommended serving size for this supplement. Side effects of larger servings may include headaches, nausea, and restlessness.
- If you have any underlying medical conditions or are taking any medication, please speak to your doctor before using this supplement.

Usage Tips

- The negative effects of Synephrine are dependent on the amount taken, so use of a scale with 10mg/0.01g accuracy or better is highly recommended.
- It is safe to stack Synephrine with other **non-stimulating supplements**, so long as the amount consumed does not exceed the suggested serving size.
- This supplement is not intended to treat, diagnose, prevent, or cure any diseases. Consult your healthcare provider before use if you have a medical condition or if you are taking any prescription medications.
- The benefits of Synephrine are most effective when they are supported by a healthy diet and plenty of exercise.
